

## GREATER AUSTIN ALLERGY

ALLERGY | ASTHMA | IMMUNOLOGY

We regret to announce that Dr. Niharika Marpu's last day at Greater Austin Allergy, Asthma, & Immunology will be October 31, 2024. We are grateful for her years of dedication and service to our patients and are excited to see her pursue other professional and personal goals.

I understand that change can be difficult, but I am confident that our staff will continue to provide you with the highest level of patient care. Dr. Marpu has agreed to help make a smooth transition. She will be available for the next month for any questions or follow-ups regarding your care. She will work closely with all Greater Austin Allergy, Asthma, & Immunology providers to ensure your care is both maintained and effectively transitioned. We are confident the transition will be seamless for you.

If you have any questions or need assistance during this transition, please don't hesitate to reach out to our office. Your medical records are confidential, and a copy can be transferred to another doctor only through your permission. You have the choice to continue your care uninterrupted with Dr. Marpu, details of her new practice location can be found at the Texas Medical Board after her departure or click on the following link.
